

Village Dads Have A Busy Session

**Cops Save Jobs;
Acid Trouble Again—
To Buy Gas Wholesale**

The Arlington Heights council had a lengthy and interesting meeting Monday night. A lot of business was transacted and negative votes were cast. However, the members of the board are personally good friends regardless of official differences of opinion that sometimes develop.

The street department has made use of \$253 in township relief labor. The village police saved their jobs by efficient collection of business and vehicle licenses the past two weeks. They reported collection of \$147.50 from business houses; \$34 from vehicle tags; \$192 in police fines and the arrest of one business man for failure to pay license fee.

Report of the water committee on increased number of water meters installed is due to the erection of many new homes.

Plaster was reported as falling in the library due to a leaky roof. Contractor was instructed to investigate.

Damage to treatment plant, due to excessive acid reported by operator Harris. Believed partially due to the drainage from new areas near the Creamery Package plant by means of the recently laid new sewer. A thorough investigation is to be made. Excessive acid not alone damages the treatment plant, but the concrete tile of the sewer system as well.

Bills totaling \$2,143.99 were allowed.

The village has spent all except \$414 of the recently received \$7,500. Wm. Annen, township collector, has turned over \$3,100 in second installment taxes, which will be used to retire outstanding 1937 tax warrants, which will leave approximately \$1,000 tax warrants outstanding. Annen will have more money for the village on receipt of "division sheet" from the county treasurer.

Rummage sales have become so numerous that the village may have to bar use of the council chamber for such purposes.

The clerk is authorized to spend not over \$25 in purchase of a wide carriage typewriter.

Due to damage to tar outfit suggestion was made that the workmen should be instructed how to use it the next time it is loaned to other taxing bodies or it should be sent along to operate it.

The question box produced two letters regarding the cow that gives unpasteurized milk and the traffic jam opposite the St. James school at the end of school sessions. A representative of the Reiland & Bree and a local mechanic will be present when the head is removed from the recently repaired fire truck to discover if its operation without water while being returned to Arlington Heights had any bad effects.

The village will hereafter purchase its gasoline at wholesale, installing at an expense of \$74.50 a \$1,000 gallon tank and a pump. The saving is estimated at 6c a gallon. On roll call, Aldermen Goedeke and Adams voted "No." However, Mr. Goedeke suggested that a considerable saving could be made if oil purchased in barrel lots. Bids were presented at 47c and 49c a gallon. The village will use two barrels a year.

Village clerk was instructed to have the recently adopted planning commission map placed on record in the county building at an expense of \$50.

Orders for the destruction of the old Kennicott house at the north end of Vail street will be delayed until a picture of the historic home can be secured.

Every time somebody discovers an unimproved street without gravel, there is a headache for the street committee and the guardians of the village treasury. Such a condition exists at the north end of Belmont street.

The suggestion was made that perhaps remaining funds in a "special fund" could be used. However it seems that the finance committee had tentatively earmarked such funds to aid in the purchase of the entrance to the park, which size, must now be constructed of copper, in place of brass.

**"Finis" Written On
Pin Machines In
Arlington Heights**

"Finis" was written on pin ball machines in Arlington Heights this week when Wm. Luehring, custodian of the municipal building, used a sledge hammer in the presence of three aldermen. Mr. Luehring denied that he was attempting to follow in the footsteps of the axe men of the state's attorney's office. He had only received orders to destroy the machine before it disappeared.

The aldermen were present out of curiosity to see how the blame things work. Incidentally, \$6.50 in nickels were found in the machine, which were added to the incidental cash account of the treasurer's office.

**St. James Church To
Hold Fall Festival
Next Month**

St. James church, Arlington Heights, has announced a fall festival to be held November 18, 19, 20. Early announcement is being made to avoid conflicting dates. Further details later.

FOUND—One Street; name, Peoria; loca- tion, factory district

The Arlington Seating Co. is asking for a 25 year lease of Peoria street, which adjoins their property on the north, the same to be used for storage of lumber, etc. Some of the board members were as excited over the discovery of a street that few knew about, as a woman over a \$5 bill. Like a woman having found it, they did not know exactly what to do with it. Attorney Thal advised the village board that regardless of any lease that might be entered into, when the street is opened up, the street, the lease would be void.

Mayor Flentie made it clear that he would refuse to sign a lease that did not provide the return of the land to the village any time the need arose for its use as a public thoroughfare.

A suggestion was made that perhaps the park district might have use for the land. After considerable discussion the board voted to allow the land to remain at the service of Arlington Seating Co.

Evanston Orchestra To Furnish Music For Homecoming

Plans for the Arlington Heights high school annual homecoming are being completed by the Student Council. A part of the program includes a student parade to be held just preceding the game Saturday afternoon, October 15. This will give an outlet for the pupils' enthusiasm and advertise the game and dance to the residents of Arlington Heights and Mount Prospect.

Much talk is already current about the game with Barrington that day. A large crowd is expected to see the Libertyville team held 0-0 last week. The game October 15 is expected to attract an even larger attendance.

Don Weidman and his band, a popular Evanston orchestra, will furnish music for the dance which will begin that night at nine o'clock. This orchestra has played for the high school Junior Prom last May and won the approval of all attending. Alumni are especially invited to this dance, as well as to the game.

Speed Up Construction Work On Foundry Road

After many weeks delay, labor difficulties were settled and Milburn Bros. were allowed to start laying out the road. The contractors have acquired considerable new machinery and hope to have the Foundry road job completed by next Wednesday.

The equipment of the Arlington Elevator & Coal Co., is being used to load the trucks.

Milburn Bros. will start work on Higgins road immediately after the completion of the present job. Their contract for the western end of Higgins road is \$263,000.

Baseball Film To Be Shown At Cub Scout Program Tonight

Cub Scouts of Arlington Heights are inviting their parents and friends to an evening of scout activities and movies tonight (Thursday), at 7:30 o'clock.

A popular film, "Batter Up," will be shown through the courtesy of Lew Fonseca, former big league star and a promoter of America's national game.

Boys wishing to join the Cub Scouts must have at least one parent present.

No Tobogan Slide At Deer Grove This Year

Gone will be the historic tobogan slide at Deer Grove this winter. Forest Preserve authorities reported that it will be impossible to erect a new slide and the old one must be destroyed. Several "coast-run" will be provided on some of the smaller hills, according to Charles G. Sauers, general superintendent of the Forest Preserve district.

V. F. W. To Plant Trees In Parkways At Mount Prospect

The local Post No. 1337 of the Veterans of Foreign Wars, has undertaken a very commendable civic task and will replace and replant trees in the parkways of the Village.

In a letter to the Village Board the Post explained that the purpose of the project is to have the V. F. W. plant trees in commemoration of the ex-service men of American Wars and on each tree will be placed a tag showing the tree was planted by the V. F. W. Post No. 1337, the year it was planted, and that it is in memory of the Veterans.

The local Post has already contracted for trees and will plant as many as it can this Fall and then continue to plant them each year until all trees have been replaced.

When presented with the letter explaining the project, the V. F. W. Post, the Village Board sincerely thanked the local Post commander, Leo Vernon, for this splendid thought on the part of the veterans organization and pledged its whole-hearted support and cooperation.

11 Percent In Du Page Need Relief

**United Charities Opens
Drive For Funds
Saturday; Urge Aid**

Out of a total of about 90,000 people in Du Page county, according to United Charities, 7,740 need help. In other words, 11% of the total population of the county are dependent on public help of some sort. Almost 2% of the population of Du Page county have received help from United Charities. For the people on relief \$101.55 for the last year was available per person; for those aided by United Charities just \$3.85 was available during the last year. This seems extremely little, yet it means a more cheerful life with some hope for the future for 1,740 people.

The United Charities of Du Page county will open a drive October 1 for the purpose of raising funds for the purpose of completing plans for the drive. A representative from each town and city in the county will attend this Friday evening. Relief Costs Double Here

The continued business recession is casting dark shadows into many families. The relief situation is getting serious, especially in large cities. How is it in DuPage county? The Du Page County Emergency Relief committee reports:

May 1937, persons helped, 2,888; cost, \$22,737.

Sept., 1938, persons helped, 6,000; cost, \$47,340.

This simple comparison reveals how much relief requirements have increased within the last year. Unfortunately, this is not the whole picture. Private organizations such as the United Charities of DuPage county have at the present time a load that they cannot take care of all cases referred to them. Worse than this, the funds of this organization are already completely exhausted due to the fact that the case load was extremely heavy this year and that contributions have not come in proportionately.

Charles Help 6,000

If figures can portray the activity of the United Charities of DuPage county, here they are in all brevity:

1935 to 1936, families helped, 236; amount spent, \$2,310.40.

1936 to 1937, families helped, 410; amount spent, \$4,210.51.

1937 to 1938, families helped, 493; amount spent, \$6,701.55.

Many destitute families are not eligible for relief, yet they need help as badly as those who are on relief rolls. Here is where a private organization must fill the gap. Should it not be possible for United Charities to function at this very critical stage when needs are greater than ever, at least five hundred families living in our midst would suffer untold misery.

**School Cafeteria
Popular With Pupils
Of Elementary School**

There are sixty Arlington Heights mothers, whose children are attending the new elementary school that will have no more worries about nourishing noon lunches for their offspring. The new cafeteria started Monday and over seven lunches were served that day.

The menu may be called a lunch, but if all the fixins are ordered, that lunch becomes a real dinner, including soup, an ample serving of meat, potatoes, vegetables, salad and butter, a beverage and dessert.

The present prices are tentative until the actual costs can be determined. Supt. Baker says, "it is our purpose to keep the costs as low as possible; to serve nourishing food and provide a menu from which the pupil can select one of more items depending on his appetite and the budget that his parents provide for the purpose."

The lunches are not open to the public. Mrs. Margaret Lunning, who is an experienced restaurateur has charge of the kitchen. The meals are planned by Mrs. Lunning and Miss Dorothy Sodi, who has charge of the domestic science departments of the school.

The present prices are: soup, 3c; plate lunch including meat, potatoes and vegetable, 15c; salad 7c; pie (occasionally) 7c.

The equipment of the school makes the preparation of the food easy for the chef and its serving only takes a few minutes. It is expected that as inclement weather approaches the number of lunches served will be greatly increased.

Demonstration In Fire Fighting At Pros. Heights Sunday

Mt. Prospect rural fire department will acquaint the residents of Prospect Heights with the fire fighting facilities that are provided by that organization that is available to the community. The demonstration will be held Sunday, Oct. 9, 1:30 o'clock, at "the creek," Elmhurst and Palatine roads.

Civic matters in Prospect Heights are at present handled through an improvement association, which has arranged for the demonstration.

TAVERN KEEPERS AS OWN POLICEMEN

AN EDITORIAL

The Arlington Heights police department, with the aid of the police magistrate office, has started a drive against drunks. One man was sent away last week for a four months period and it is no secret that there are others on the same road.

The town "drunks" are known to the tavern keepers. Many of these men after becoming intoxicated attempt to drive their cars, thereby endangering the lives of others.

It would be a whole lot easier on the police department if the tavern keepers, themselves, did the policing by refusing to allow a man to become intoxicated in their places of business.

Here is something to think about. If every time a drunk staggers out of a tavern the police would take that man over to the jail and the tavern keeper would be required to pay the resultant \$25 fine, there would not be many more drunks on the streets of Arlington Heights.

Regular teachers throughout northern Illinois. Other locations where classes are being held are: Wheaton, every Monday afternoon at 4:30, Downers Grove, every Monday at 4:30 and at 7.

Cashier Franzen Returns From Cy Young's Camp

Arthur Franzen, cashier of the Arlington Heights National Bank, has returned to his duties after ten days spent at Cy Young's camp at Lake of the Woods, Ontario. Mr. Franzen reports that the limit in fishing could be caught within thirty minutes. He had a great time.

Mr. Franzen brought back with him a promise that Cy Young, the former Arlington Heights star salesman, having purchased a Lincoln Zephyr, will visit Arlington within the next few months. He has secured a postoffice at his lodge under the name Crow Lake. The nearest postoffices are at Emo and Kenora, both forty miles distant. A hard road now passes through Crow Lake and it is much easier of access than in the old days when Alderman Krause and other local friends of Cy's visited at his camp.

**Local Company Prom-
inent In Piling Up
Record Volume**

Prof. W. M. Stevens, Dean of the School of Business Administration, University of Maryland, will be one of the chief speakers at the 12th annual meeting of Illinois Farm Supply Co., Springfield, Tuesday, Oct. 18, according to the Cook County Farm Bureau.

Dean Stevens who was formerly professor of marketing and finance at Louisiana State University, has written several books and pamphlets on farm and producer cooperation. His subject will be "Sound Business Administration for Farm Cooperatives."

In a recent report received by the Cook County Farm Bureau from the Illinois Agricultural Association, it was disclosed that the 64 county service companies last year showed a 11.47 per cent gain in volume of gasoline handled compared with the year before. This compares with a gain of less than 3 per cent in volume of gasoline consumed in Illinois last year.

The Lake-Cook county service company also figured prominently in setting a new high of nearly 100,000 gallons of refined oils handled by farmer-owned and farmer-controlled service companies in the county during the past fiscal year. Gasoline represented 70,652,060 gallons of this amount.

L. R. Marchant, manager of Illinois Farm Supply Co., reported that the company is now purchasing supplies for 187 cooperative organizations in the state, including 64 county service companies, farmers' elevators, livestock marketing associations, and Farm Bureau supply companies. The latter cooperatives handle feeds, fence, and fertilizers.

A recent summary of cooperative associations published by the Farm Credit Administration shows that \$25,380,000 in patronage dividends were returned by 4,010 associations in the United States to members during 1936. Three of every four associations purchasing per capita products paid patronage dividends averaging \$4,747 per association. This compares with approximately \$21,000 paid by the average county service company in Illinois last year, or nearly five times the U. S. average.

**Open Forum At
Law School Monday**

There will be an open forum on the subject of personal property taxation in Cook county, at the Palatine Lions club law school next Monday.

Attorney Gordon Humphrey announces that any one interested will be welcome to attend this meeting; there will be no cost of any kind.

The subject of personal property taxation has for years and years been a subject of much discussion in Cook county and there is an opportunity to hear all about it and to express your views.

This should be an interesting session of the school and the public is invited to take part in the discussions.

Henry Kehe Sees Son Win His First College Football Game

Mr. and Mrs. Henry Kehe and daughter drove to Rippon, Wis., Saturday, to witness the witnessed Knox defeat Rippon 7 to 0. Their son, John Henry, former star of Maine, was playing his first game as Knox center on a college varsity team.

Prize Pumpkin In Krause Market Window Weights 76 Pounds

Krause's Cash Market has a 76 pound pumpkin on display in its window. The grower is Mary Behrens. It is some pumpkin dealer those who have seen it. Mr. Krause says that he will be happy to display our prize farm products grown by local people.

Teachers May Take Course For College Degree At Arlington

High school and grade school teachers of Division One and Two in Cook county will have an opportunity to take a college course at Arlington Heights and other towns with undergraduate credits under a new plan instituted by the Northern Illinois State Teachers college at De Kalb.

An experimental program of "in-service" training for teachers is attracting many alumni graduates of the two year course to enroll in a 15-weeks course at local points under a traveling instructor.

Arlington Heights grade school has been selected as a meeting place for teachers from this area. The first class will be held at 4 o'clock next Monday afternoon for a two hour session in "Modern Techniques in Teaching." It will meet once a week. Twenty teachers or more must enroll in the course to make it available, according to a bulletin from DeKalb school.

"The course will probably run under ten dollars," said Mr. Baker, principal of the Arlington grade schools, "which includes tuition and use of the building."

Regular teachers throughout northern Illinois. Other locations where classes are being held are: Wheaton, every Monday afternoon at 4:30, Downers Grove, every Monday at 4:30 and at 7.

Sugar Beet Farmers Now Shipping Product To Wisconsin Refinery

Eighteen earloads a day of sugar beets are now being loaded at the three freight stations in northern Illinois, Arlington Heights, Mt. Prospect, and Bensenville, starting this week, where they are being shipped to Rock County Sugar company at Janesville, Wisconsin. The farmers will continue trucking their beets to the railroad stations for the next month. It is from these three places that most of the sugar beets of the refining company are purchased.

Bohemian Editor To Address Palatine Lions Club

Vackler J. Minniberger will address the Palatine Lions club Thursday on the subject "Czechoslovakia." Mr. Minniberger has been a resident of Palatine for nearly twenty years. He was educated in Czechoslovakia, and is now editor of "The Age of Reason," a national weekly, and of the "Bohemian-Slovak Daily," both published in Chicago. He contributes regularly to various publications, and has written several books which have been published both in Prague and in Chicago.

Arbort Wild at the last meeting gave a clear talk on the historic and economic reasons why Germany is pursuing her present course. Mr. Wild was formerly a professor at Columbia university and served on the codification committee for International Law of the League of Nations.

The entertainment committee promises that there will be something doing all the time. Mark the date of your calendar and join the local republicans in a good time Oct. 21.

The affair is not planned as an old time political rally, but rather as a get together of the republicans of the township in a big family party with a lot of voting, social refreshments, good entertainment and a few candidates dropping in to meet the folks. Be there and join in the fun.

**Palatine Supervisor
Brings in the Corn**

Supervisor John Meyer of Palatine township is a booster for the old fashioned corn and confirming his boast as to what good corn he had of the old style varieties, he brought in four ears and placed them side by side with the Hybrid corn from the Moehling farm at the office of E. P. Steinbrink.

Now the public can judge for themselves which corn they think is the best.

This corn controversy is getting hotter and hotter, some farmers being strong for the hybrid and others just as strong for the old style corn. Bring your samples, boys, and let's see some more demonstrations. It's one of those sort of arguments that there doesn't seem to be any end to. "You just pay your money and take your choice."

Finds Apple Blossoms And Ripe Apples On Same Tree In Deer Grove

Geo. Wolterman, of Arlington Heights, found a freek of nature in Deer Grove last week. Enticed by some ripe apples upon a tree, he discovered that the same tree had ripe fruit and at the same time apple blossoms. Adjoining crabapple trees were also breaking out in bloom.

Mr. Wolterman left several of the branches of blossoms at the Prosser Barber Shop.

It Will Be A Real Municipal Building When Construction Stops

The latest addition to the Arlington Heights municipal building has reached a stage where a general idea can be secured as to how the entire structure will appear when it is finished. The brick of the exterior walls of the original building is to be replaced with brick similar to what is now being used. This building, which has been constructed in sections down thru the years has become a rather large structure and covers every foot of the ground owned by the municipality.

It is really some building.

Democratic Dance Wednesday Night

The Elk Grove Township Democratic Organization will hold a dance Wednesday evening, October 12, at the Mount Prospect Country Club.

There will be no admission charge, everyone is invited and a gala evening is promised to all who attend.

Excellent speakers and a good orchestra are on the program. A chest of silver will be given away.

MENTAL CASE FOUND IN BARN IN MT. PROSPECT

Waits Three Months But Gets First 1939 Buick

Lee Barcroft anticipated the 1939 Buick last July when he booked his order with the Harry Knaack Motor Sales. Three months is a long time to wait, but almost as soon as the new cars were released, Lee was driving one of them.

Mr. Knaack has sold a number of them, but the demand is so great that there is now a waiting list.

The Knaack Motor Sales recently moved to the former Engleking building on North Vail street.

District No. 16 School Is Robbed

The district 16 school house on Quinter road south of Palatine road, was broken into and robbed Monday night.

Furniture, school supplies and anything of any value, was taken and the vandals, not satisfied to steal what they could, squirted the contents of the fire extinguishers all over the place.

The job gave all the evidence of being a spite job as well as an out and out robbery.

Both Palatine and county police were called and are conducting an investigation.

Articles reported missing to the county police were: five folding chairs, a kerosene stove, two dozen tea cups and saucers, four dozen teaspoons, a school globe, a large draw curtain, an American flag, a fire extinguisher, and five dollars in cash from the desk.

Democrats To Give Free Dance Oct. 22 At Meyer's Pavilion

Wheeling Township Democratic organization will be hosts to the general public at a dance Saturday, Oct. 22, to be held in Meyer's pavilion, So. State road, Arlington Heights. A valuable door prize will be given away. There will be good music and refreshments. There is no admission charge and everybody is welcome.

Local Store Promotes Novel Hallowe'en Contest

The Vogue has on display in the window, a large pumpkin of which the public are invited to guess the weight. A beautiful 26 piece set of silverware including six stainless steel knives will be given as a prize to the one who comes the closest in guessing the weight of the pumpkin.

A chance is offered with each purchase and cleaning job. Do not miss your chance!

WANTED - Answer to 5:30 traffic jam at Arlington depot.

A pass for one traffic violation will be given by the Arlington Heights police department to the person who can present a workable solution to the traffic jam around Dunton street and the railroad every evening at the time the six o'clock trains arrive.

"It is bad enough on bright days," Chief Skoog told the board Monday evening, "but on rainy days it is a whole lot worse." Officer Melbourne reported that his efforts to prevent the jam have been unavailing because the wives insist they have a right to meet their husbands and to remain on the street until a train comes along from which their husband will alight.

The discussion came about when the usual complaint was received regarding the practice of the gate-man lowering the gates in order to install the lights. As the days grow shorter the gates come down earlier and now reach an hour when traffic is heavy and the impatient motorists insist on playing an orchestra on their horns while waiting for Mr. Clark to regain his tower and raise the gates.

The North Western is going to be asked to install electric lights on the gates. But nobody knows what to tell the wives who drive to the station to get their husbands every evening.

So the problem is up to the readers of the Herald.

Palatine Republicans To Hold Big Party At Camp Reinberg

Palatine township Republicans are planning a big neighborhood party for Friday evening, Oct. 21, when they invite all the voters to a big republican township party at Camp Reinberg in the Deer Grove forest preserve.

It's to be a family affair and the ladies are just as welcome as the men.

Refreshments will be served and a large number of the republican candidates headed by James Moorland, candidate for Congress, will be present to say a few words and meet the voters of the township.

The entertainment committee promises that there will be something doing all the time. Mark the date of your calendar and join the local republicans in a good time Oct. 21.

The affair is not planned as an old time political rally, but rather as a get together of the republicans of the township in a big family party with a lot of voting, social refreshments, good entertainment and a few candidates dropping in to meet the folks. Be there and join in the fun.

On Fall Fashions

By Barbara Barry

MRS. DUDS GOES TO TOWN

At least if she's picked out her fall outfit at the Emerald Shop. You've never laid eyes on such a magnificent collection of hats, coats, dresses and other ready-to-wear — and you're going to be ready to wear them right out of the store, when you see how modestly the price tags are marked.

A WEALTH OF FASHION IN FROCKS

Fashion spreads before you a treasure of rich fabrics, rich colors and intriguing styles. And the gems of the Fall dress collection are all at the Emerald Shop... dresses for every occasion, and everyone a worthwhile value.

NEW NOTES IN COATS

Any day, now, the weather man is going to say, "Fair and Colder" — so you'll want to complete your autumn wardrobe with a coat to slide into when the news comes. Whether you want a jaunty swag, or a dressup number cut on thoroughbred lines — you'll find it at the Emerald Shop's collection of noteworthy coats — all priced thoughtfully — with one eye on your budget.

HATS TO TOP OFF YOUR FALL COSTUMES

I've noticed that costume silhouettes are so varied, so utterly different this Fall that not every hat will do for every costume. To do justice to your self, your hat must complete the effect you are trying to make — and from a harmonious whole. The Emerald Shop, then, is the place for you to go — for they have an infinite variety — and so moderately priced that you can have a different hat with each outfit.

HURRAY! THEY'RE ON THE HOUSE

I've found a way to make my money pay dividends at the Emerald Shop. It costs nothing to join and it's called the Mojud Hosiery club. When you have bought a dozen pair of Mojuds you get the next pair FREE. Just fill out your membership card the next time you get your lovely Mojud Clariphane silk stockings — soon you'll be wearing your "lucky thirteenth" pair, and wanting to thank me for telling you about the Club.

Membership Drive

The Parent-Teacher association of Arlington Heights are conducting a membership drive this week through the schools. Each child has taken home a letter telling of plans for the program for the year, and explaining the purpose of the organization. The room receiving the largest number of new parent members will receive an award. Only those joining this week will count in this contest, but parents are welcome to join at all times. The dues are 50c for each parent, and can be sent to the school with the children. Members of committee will be there to accept your dues and give you a receipt. You will, by your membership, interest, and attendance, help our P. T. A. to be a valuable group in our community.

Corephelias Dine

Sixteen members of the Corephelia Society enjoyed a dinner at "The Pantry" in Park Ridge Monday evening. Following the dinner, Melvin Preston entertained with his piano accompaniment and games were enjoyed.

COFFEE

Expensive flavor at this very low price. Special grinds for drip and glass pots.

Former Arlington Girl Marries In Valparaiso

Before an altar banked with fall flowers and ferns where tall Cathedral candles burned in four candlesticks, Miss Virginia Lois Hausam and Mr. Sherman A. Cone were married Tuesday evening, September 27, in the Methodist Episcopal church at Valparaiso, Ind.

Both the bride and bridegroom are well known in Arlington Heights and the romance which culminated in Tuesday's nuptials, had its inception four years ago when they were freshmen at Valparaiso University.

The wedding was beautiful in its simplicity. About 250 relatives and friends of the couple heard the Rev. Russell B. Kern read the ceremony at 7:30 o'clock.

The bride chose as her only attendant, her sister, Miss Mary William Hausam, while the groom was attended by Mr. Albert Kercher of Freeport.

Miss Hausam, the maid of honor appeared in a pretty dusty pink silk crepe frock. She carried dubonnet asters and ageratum.

The bride's gown was of white

satin. A finger tip veil added charm to her attire. Miss Hausam carried Easter Lilies.

Following the ceremony the newlyweds received their guests in the church vestry. A reception for the guests was given by the groom's fraternity brothers at the Kappa Psi House.

Mr. and Mrs. Cone will make their home in Kankakee, Ill., where the bridegroom is employed as a pharmacist.

Misses Celia and Lydia Hausam and Mr. Frank Hausam were among the out-of-town guests attending the wedding.

MONEY AHEAD

By C. W. Lussman of Sieburg Pharmacy

Sickness is one of the most expensive troubles that the human being is heir to. Often, it is avoidable, very often it can be relieved early in the attack, and money and time saved, in addition to saving a lot of suffering.

If you see your dentist twice a year, add to that good rule one just as good—see your doctor once a year. He will advise you to correct habits of living into which you have unconsciously lapsed and which are dangerous to health. Perhaps corrective medicine is not required. If it is, entrust the prescription only to the best of his profession—the trained druggist.

Legion and Auxiliary In Joint Installation

The joint installation of officers of American Legion and Auxiliary will be held at Northwest Hills Country Club next Tuesday evening. The installation will be preceded by a dinner and followed by a dance. The dinner will be one dollar per plate and reservations must be sent to H. H. Bauman, 412 S. Vail or May Wisersky, 229 South Walnut. All reservations must be in by October 9.

George Rohde, past district commander, will install the new Legion officers, while Mrs. Mary Duckett, past president of the Cook County Council, will install the auxiliary officers.

The officers to be installed in the Legion are: Commander—Herman Bauman. 2d Vice Commander—Elmer Crane. Jr. Vice Commander—Paul Carroll. Adjutant—D. Harper. Finance Officer—Harvey Daggett. Chaplain—Jos. A. Wisersky. Historian—Robert Swanson. Sergeant-At-Arms—John Schwo-low.

The officers to be installed in the Auxiliary are: President—May Wisersky. 1st Vice President—Millie Russell. 2nd Vice President—Bertha Teutsch. Secretary—Laura McElhose. Treasurer—Fannie May. Chaplain—Maude K. Parker. Historian—Laura Skoog. Sergeant-At-Arms—Dorothea Neubauer.

Color Bearer—Violet Reuter. At the business meeting held at Legion House Tuesday evening, the Auxiliary voted to purchase twelve dolls to dress for the Times Christmas party.

The last Monday of each month was decided on for taking treats to Elgin hospital. This month the treat will be candy, and clothing from neckties to overcoats.

Mrs. Violet Reuter had on display a number of interesting articles made by veterans and purchased at the Veterans' Art Craft Shop with the money voted for that purpose at the last business meeting. The articles ranged in price from 25 to 50 cents and were all suitable for card prizes or presents.

The Name Beryl
The name Beryl is of Persian origin and means "crystal." It is one of the jewel names, the emerald, topaz and aquamarine being varieties of beryl, and is borne by both men and women. It is often incorrectly pronounced "Beril," but should be pronounced Ber-ill.

Barbara Stanwyck and Herbert Marshall At Arlington Sun., Mon.

Cesar Romero is finding life just a succession of rumba routines these days.

The tall Latin film star, a noted dancer before he turned to the screen, was conducting impromptu rumba classes on the "Always Goodbye" set at 20th Century-Fox in his spare moments and he apparently had his work cut out for him for some time to come.

It all began recently when he took the beautiful Lynn Bari in hand and taught her the intricacies of the dance for a sequence in "Always Goodbye" in which both appear.

She had never attempted the dance before but after some thirty minutes of instruction from Ro-

mero she was performing like an expert. Since the lesson was given right on the set, Cesar immediately found himself besieged by all the feminine members of the company, all demanding instruction.

So now Cesar is dancing all his spare time away, first with one and then another of the lovely charmers who appear in the cast. Up to the present, he has given lessons to Barbara Stanwyck, star of the production, Binnie Barnes, blonde

British beauty, Olive Hatch, a supporting player, Bonnie Bannon and several of the beauties who appear as models in the picture. A dozen or more of the others, however, are still eagerly awaiting their turn.

"Always Goodbye" will be shown at the Arlington Theatre Sunday and Monday with Barbara Stanwyck and Herbert Marshall co-starring and Ian Hunter heading the featured cast.

Elk Grove Business Man Dies

George F. Everding, Owner of Oldest Store Passes Away Suddenly

On Sunday, Oct. 2, one of Bensenville's well known business men was buried in Elk Grove cemetery. George F. Everding, proprietor of the Everding General Store at Higgins road and Elmhurst road, passed away suddenly at the Lutheran Deaconess hospital, after a brief but severe illness.

On January 21, 1906, at Addison, Illinois, Mr. Everding was born and on September 29, 1938, at the age of thirty-two, he passed into the presence of his Lord. Of him it can be said, he is absent from the body, but present with the Lord.

The services were held at the Geils Undertaking Chapel, and was one of the largest funerals ever seen in Bensenville. Hundreds of people who were unable to get into the chapel heard the services through loud speakers installed on the grounds outside.

Mr. H. G. McEwen of Philadelphia, conducted the chapel service, assisted by Alonzo Cole of Kendallville, Indiana, and Mr. Ernest Myers of Chicago. Mr. Charles Innes of Ontario, Canada, took the service at the cemetery. Mr. McEwen used the life and death of Stephen, as recorded in the Book of Acts as the basis of his message. His message was outstanding combining a well deserved eulogy, words of comfort to the bereaved, exhortation to the Christians and a clear presentation of the Gospel of the Grace of God to the unsaved.

It was pointed out that while Mr. Everding was a man of outstanding character and noted throughout the community for his honesty and integrity, yet he was not depending upon these "good works" for his salvation, having learned from the word of God that "By grace are ye saved, through faith and that not of yourselves, it is the gift of God, not of works lest any man should boast." Eph. 2:8-9 "Except a man be born again he cannot see the kingdom of God." John 3:3. "For God so loved the world that He gave His only begotten Son that whosoever believeth in Him should not perish, but have everlasting life." John 3:16.

It requires no stretch of imagination to say that he was loved and respected by many for on the day of the funeral the large company, some fifteen hundred, from all stations in life, showed with weeping eyes and sad hearts, the silent form. A beautiful motto was placed in his casket, so that all might read "He that believeth on the Son hath everlasting life." This is his last message to all. "He being dead, yet speaketh."

He leaves behind to mourn their loss, his wife, Mabel; five sons, Durrell, John, James, Paul and David; his mother, Mrs. Minnie Mollenkamp; two sisters, Mrs. R. Schoupe and Mrs. Harold Kolz; three brothers, Roy, Donald and Conrad. His many friends will long remember his love and appreciation of the good old gospel hymns, one of his favorites being "He is in time."

Life at best is very brief, Like the falling of a leaf, Like the binding of a sheaf Be in time

Oh, I pray you, count the cost, Ere the fatal line be crossed, And your soul be lost, Be in time.

Seth Thomas of Clock Fame
Seth Thomas began his career in Eli Terry's shop making clock cases and assembling wooden works. In 1810 he bought Terry's interest in the firm and later incorporated the Seth Thomas Clock company.

MT. PROSPECT

The "10-40" meeting was held at Margie Jones' home Tuesday night. We're rooting for a quick recovery for Howard Haas, who is home with the mumps.

"Patches" is the name of the calico cat that is now a new member of the Budlong home.

Caroline, daughter of Mr. and Mrs. Edward Glaeser, had her tonsils removed Tuesday, October 4.

Perhaps you've noticed the beautiful change in the Ward's home on Elmhurst road. Previously a one-story Spanish type, it is now a two-story English home.

One week ago Saturday, Irwin Gaski's home was the scene of gay festivities. Irwin held a scavenger hunt and then a party. There were approximately forty participants.

The Arlington high school is looking forward with genuine anticipation to the annual Homecoming game, parade and dance, the weekend of the fourteenth of October. Let's see you alumni there in full force.

Mr. and Mrs. Henry Wolfgram, 9 N. Wille street, are the proud parents of a fine baby girl, Yvonne Adele, born October 1, at the Elmhurst hospital. Mrs. Wolfgram's condition is critical and she will not be allowed to have visitors for some time.

Starting Thursday of this week, all of the local stores will remain open all day Thursdays, again.

I. E. Besander has moved his real estate office from its location on the Highway to the southwest corner of Evergreen and Main street and now is busy getting arranged at his new location.

The lunch room in the building of the Mount Prospect Oil Co. at Northwest Highway and Elm street has changed hands and is now under the management of Ruth Sullivan under the name Conoco Lunch.

ST. JOHN'S EPISCOPAL MISSION

Regular morning service with sermon at 11:00 o'clock. All are welcome.

Sunday school begins at 9:45; classes for children of all ages. The Women's Auxiliary will meet at the home of Mrs. Ira P. Parker, 606 Burton Place in Skarsdale, on Friday afternoon, October 14. That is one week from Friday. The time is 1:30. Transportation will be arranged for anyone desiring same. Call Mrs. Skelton or Mrs. Baskin.

It requires no stretch of imagination to say that he was loved and respected by many for on the day of the funeral the large company, some fifteen hundred, from all stations in life, showed with weeping eyes and sad hearts, the silent form. A beautiful motto was placed in his casket, so that all might read "He that believeth on the Son hath everlasting life." This is his last message to all. "He being dead, yet speaketh."

ON THE MARSH

Evening is a slender miss
Walking on the marsh,
Like the heron, slim and graceful,
In the grasses harsh.

Evening is a white-limbed girl
Stooped among the reeds,
Plaiting rushes, green and amber,
Where the heron feeds.

Evening is a lissome maid
Glimpsed thru quivering sedge,
Unashamed to wade alone
At the marsh's edge.

Like the naked sickle moon,
Last by mortals seen
Thrusting by the screening reeds
While she slips between.

Evening is a girl's white shape
Glimmering like a star,
Mirrored in the plashy ways
With her blue stone jar.

Hold Services For Former Arlington Citizen; 93 Years Old

Funeral services for Benjamin F. Kinder, 93 years old, were held in Des Plaines, last week, where he has been one of its oldest residents and business men.

Kinder was proprietor of a tin shop in Arlington Heights with John Bray from 1899 to 1872. He resided in Wheeling township when his family came from England in 1849 and made their home on the present Petinbrink place on Foundry road, about a mile and a half west of the river.

Kinder was a member of the village board in Des Plaines in 1881-82 and was president of the board in 1884. His son, George, has followed in his footsteps, serving as alderman and twice as mayor of the city.

Burial was in Arlington cemetery, September 27.

Palatine Couple Seek Divorce; Cruelty Charged By Wife

Suit for divorce was filed in Superior Court Monday by Mrs. Mona Schrotland against Edward Schrotland, of Palatine. She charges cruelty and drunkenness.

They were married Sept. 5, 1935 and she left him Aug. 22 last, because of his abuse she says in her complaint.

He owns an auto wrecking plant and roadside vegetable stand on Rand road near Wilke; also a cottage and 3 1/2 acres in Palatine and three cottages at Fox Lake.

She asks an injunction to prevent disposal of his property, divorce and support. There are no children.

Arlington Chess Club To Meet Next Friday

The Arlington Heights Chess club organization meeting will be held Friday, Oct. 14, 8:30 at 33 W. Campbell, V. Sadecky.

Chess players, friends of the game and all those who are interested, are cordially invited to attend this meeting to discuss and establish the chess club, outline its policy and set up officers. Reserve this day.—The Committee.

Ambition for Wealth

Beware of ambition for wealth; for there is nothing so characteristic of narrowness and littleness of soul as the love of riches; and there is nothing more honorable and noble than indifference to money.—Cicero.

OBITUARY

ALBERT BEILFUSS, SR.

Albert Beilfuss, Sr., 43 years old, a truck farmer on West Lake, Glenview, died of a heart attack September 24. Funeral services were held September 28, at the Immanuel Lutheran church, West Lake avenue, with burial in St. Paul's cemetery, Niles Center.

Albert Beilfuss was born November 21, 1894, in what is now the Jefferson Park section of Chicago. In 1918 he was married to Eleanor Wahls and the couple had two sons, Albert, Jr., and Harold, both of whom with their mother, survive. The family settled on Harris road in the fall of 1925. Mr. Beilfuss' health had been good until the few days preceding his death, so his sudden passing was a shock to his many friends.

Other survivors are two sisters, Mrs. Edith Dietrick and Mrs. Anna Henke, and three brothers, Edward, William and August Beilfuss.

FRED G. WENDLER

Fred G. Wendler, 79 years old, a lifelong resident of Hanover township, Cook county, died Saturday afternoon in Sherman hospital. He was born in Hanover township on June 6, 1859, and of recent years had made his home in Bartlett.

For more than 50 years Mr. Wendler was engaged in the contracting business in the Bartlett region.

He is survived by the widow, Mrs. Clara Wendler; seven children, Herman, John, George, Fred, and Louis Wendler; Mrs. Frank Ahrens, and Mrs. Olaf Nelson; four grandchildren, and a sister, Mrs. Mary Kramer.

GOOD THOUGHTS

His arm around you, well-beloved—
The Father's strong and shielding arm;
What evil thing can find you there,
What menace do you any harm?

Look up, dear heart, His holy truth
Shines forth to bless both you and yours.
The light that lit the wilderness
For other pilgrims still endures.
—Maude De Verse Newton.

Fear cannot live where Christian faith and hope and love are found. These are the positive powers which are ours in Christ, powers strong to deliver us and make us the free, unafraid children of God.
—F. G. Hoggarth.

Moral courage is free and fearless because it is inspired by the understanding of spiritual reality. This spiritual courage proceeds from trust in the infinite ability of God to guide and guard His children, and from a deeper understanding of the obedience which acknowledges His will as supreme.

—The Christian Science Monitor.

Be strong and of a good courage; be not afraid, neither be thou dismayed; for the Lord thy God is with thee whithersoever thou goest.
—Joshua 1:9.

Alcoholic Perfumes

Alcoholic perfumes are supposed to have been first made in the Fourteenth century. The first of which there is record was Hungary water, distilled from rosemary in 1370 by Queen Elizabeth of Hungary, who got the recipe from a hermit, and by the use of it is said to have preserved her beauty to old age.

SIDESWIPES R. R. SIGNAL ON MILWAUKEE AVENUE

William C. Lenhart, Evanston, sideswiped a railroad signal on Milwaukee avenue, early Monday morning, and careened into a ditch. Lenhart was unhurt. He told witnesses that safety lights on the signal were not burning at the Chicago, Milwaukee, and Northshore tracks, but Cook county highway police investigated and found them to be otherwise.

MOTORCYCLE'S BRAKES LOCK, SKID, 1 SERIOUSLY HURT

Attempting to pass a car and finding it too dangerous, George Natrius, 21 years old, Chicago, applied his brakes on his motorcycle with serious consequences. His brakes locked, skidding the motorcycle, throwing him and his passenger, Miss E. Reichard, 19 years old, to the pavement. Miss Reichard received a concussion of the brain and internal injuries and was taken to the Swedish Covenant hospital in Chicago. The accident happened on Higgins road, 1/2 mile east of River road, Sunday evening.

CAR DITCHED WHEN LIGHTS CONFUSE DRIVER

Glaring head lights were responsible for sending a car into the ditch, knocking down a telephone pole, according to the driver, John Mokrycki, Chicago, Friday night. He ran off the road on Higgins road, near Mannheim. The other car, with the strong lights did not stop. No one was injured.

69 YEAR OLD MAN OVERRUN BY YOUTH

Robert E. Grose, 18 years old, of 527 N. Washington street, Chicago, struck down George Gunderson, 69 years old, while turning on to Potomac road from the Northwest highway, Saturday night. Address of Gunderson was unknown, according to police, who reported that he had been drinking. He was taken to the Northwestern hospital, Des Plaines, and treated for a fractured leg and other injuries.

Cardinals, Wildcats In Scoreless Tie

Libertyville Outplays Arlington In Near Dope Upset

A fighting, clawing bunch of Wildcats from Libertyville held the highly touted Arlington football team to a 0-0 tie last Saturday. On two or three occasions it looked as though these same Wildcats were going to upset the dope and come off with a win. However, on each occasion, the Cardinal eleven rose up and repulsed the visitors' attack.

Neither team seriously threatened to score. On the opening kickoff, and on two other occasions, one of the Libertyville speedsters very nearly got loose on long runs. Two or three times it began to look as though Arlington was going to get their offensive started. Yet each time the blocking either bogged down, or else one of the numerous penalties inflicted nullified a sizeable gain and stopped whatever drive they had.

The statistics on the game showed the teams almost even, with the edge, if any, in offensive gain going to Libertyville. The Cardinals collected eight first downs to Arlington's 6, yet Arlington had what should have been two more cancelled by their own penalties.

50 yards of penalties were called on Arlington (15 more were cancelled by the Wildcats), while the Cardinals in turn suffered 30 yards.

Arlington fumbled 5 times, and recovered 3 of these. Libertyville fumbled 3 times and Arlington recovered all three.

Libertyville attempted two forward passes, both of which were intercepted by Arlington. Arlington tried 6, and completed only one, which was taken away by a penalty on the same down.

The punters on both teams were doing quite a bit of kicking. On several occasions both Hull and Envelod punted out of bounds on either side of the opponent's ten yard line.

Envelod got off three nice gains of 30, 30 and 23 yards. Brown reeled off for 30. Hull had gains of 20 and 25 yards to lead Arlington. All the other gains were comparatively short ones.

Smith, backing up the line for Libertyville, made by far more than his share of the tackles for the visitors. Both their ends played smart heads up ball.

Lenke, Hull, and Busse, the last three quarters, played the best defensive half of the Cardinals. For the first time in his two years, Hull was a bang up defensive fullback. Lenke and Busse are improving with every game. Beckman, and occasionally Grossi and Langhorst, showed flashes of skill.

Weakness at the tackle positions, where they should be strongest, almost cost Arlington the game. Each of the longer gains made by Libertyville, were made not by superior blocking, but because the Cardinals forgot all their fundamentals of defensive play and were sucked out of position.

It was a fairly interesting game throughout and exceedingly well fought—and clean. Libertyville has clearly one of their best teams in years.

It was interesting in the final stages of the game to watch Libertyville quite evidently start to tie, while Arlington was trying desperately to put over one last play for a win.

MAC SAYS
—By—
Gerald A. McElroy

The conference schedule of games this week is one of the best that will be played this season. The head line contest is at Lake Forest where the Cardinals of Arlington will try to revive the hopes of their backers after a disappointing tie at the hands of Libertyville. Lindenmeyers' Lakers had a tough time beating Niles 12-6 in a game of many fumbles last Friday. We believe the Arlington boys are capable of a lot better football than they showed last Friday and the jolt of a scoreless tie should be the tonic they need for this week's big game if they are made of the right stuff. We pick Arlington to beat Lake Forest by one touchdown 13-6.

WARREN FAVORED

Kelton's Warren team will meet Leyden Saturday after smothering Grant in an easy victory last week. The experienced Warren outfit should not have too much trouble disposing of a new and green Leyden eleven.

The score may be closer, but 19-0 is our guess. At Barrington the Bronchos are host to Niles. Both teams have suffered defeats by close scores at the hands of two of the outstanding teams. The result should be a toss up. Both teams are improved over last year and we would not be surprised to see the result a duplication of last year's tie. However, we are inclined to rate Niles a slight favorite and our guess is 7-6.

WILDCATS ARE PLENTY GOOD
Libertyville, after a grand exhibition at Arlington last week, which has an open date to rest for the homecoming tilt with Leyden October 15. Those light Libertyville backs did some of the nicest tackling we have seen in many a day and they had Arlington's air attack completely stopped. Envelod, 135 pound wildcat halfback, is a great player. His all around play was the standout of the game. On three occasions he got away from all but one Arlington man on wide end sweeps. Barrington without doubt has the most improved team in the league.

COACHES WILL BE ENTERTAINED
The coaches of this district of the state association will be the guests of the Abbott Laboratories of North Chicago Monday evening when the first meeting of the school year is held.

The Abbott people will furnish a free dinner and put on the program of the evening which will be in the nature of talks by some of their doctors on the "Physical Makeup of the Athlete." Coaches who arrive by 3:30 p. m. will be taken on a tour of the plant. Announcement of this meeting comes from "Bob" Kelton, president of the coaches association of this region.

CRYSTAL LAKE HAS NEW COACHES
Crystal Lake of the North Four conference played Barrington last Saturday winning 18-0 and concludes the season November 5, at Arlington. Their teams also play some member of the Northwest conference in basketball so their chances in that sport will be of interest. Andy Pupils is coaching the football team, which boasts seven veterans and is assisted by Metcalf. Njaa will be head basketball coach with Pupils as his helper, while Metcalf will coach track and field and Cole will have charge of country running.

Metcalf, formerly head coach of all sports is now confining the major part of his time to directing athletics. Under this set up Crystal Lake, a school which has always been strong in sports, appears headed for even greater honors.

Arlington Lights Turn Back Warren, 20-0
Arlington "Lights" won another victory Monday night when they defeated Warren's "Lights" 20-0. The play was rather one sided in favor of Arlington and at no time did Warren threaten the young Cardinals goal line.

Outstanding for Arlington were the line and Becker, Folkman, Bolte and, in spots, Mueller in the backfield. Gehring's lack of condition stopped him when he was loose for long runs.

Touchdowns were scored, one by Mueller, and two by D. Folkman. The points after touchdown were by Henken and Becker.

It was interesting to note that in the lineup of Warren, was a son of Coach Kelton, and also a son of Principal Thompson, who aspires to follow in the footsteps of his brother, Rex, who is Warren's "Heavy" ace ball totter.

It Adds Distinction
The bell wether would not enjoy his distinction half as much if some one would remove the clapper.

Arlington Travels To Lake Forest

Last Year Champs Oppose Cardinals Next Saturday

Arlington is mixed up in another "Crucial" game this Saturday. This time they play at Lake Forest against last year's northwest conference champions. The game is scheduled for 2:30 o'clock on the Lake Forest college field. While Lake Forest lost a few boys from their last year's squad, they still have a enough of a nucleus left to guarantee another of their hard blocking and driving teams.

Last year Arlington was the only team to defeat Lake Forest. The score was 13-6 and was indicative of just about the comparative caliber of the two teams. The only previous football encounter was in 1936 when the final score added up to 13 all.

There is no question that Lake Forest is determined to do everything within their power to gain a win over the Cardinals. They have scouted Arlington thoroughly in each of their games so far. In fact last Saturday's game had more scouts present than there are spies in Washington. Even a couple of the schools have gone modern and had their emissaries there with movie cameras.

The Lakers' have two outstanding backs in the league. Peschman and O'Hara rate just about tops as far as conference ball toters are concerned and would rate a welcome on almost any high school team.

Arlington will have to improve considerably to be able to stop these lads.

It is hoped that those boys on the Arlington squad, several in number, who have been nursing sore legs and ankles, will be able to go again this Saturday. Several were noticeably slowed up last week against Libertyville. None of these injuries are of a serious nature, but just aggravating enough to be a hindrance to play.

Gaare's, Rose-Lo In Three Game Series For Softball Title

After a six weeks delay, the play to determine a championship in the Arlington Softball League, was begun Sunday, at Recreation Park, Rose-Lo, which had tied the first and third rounds during the regular season, was playing Gaare's for a victory in one of these rounds. They won the game 4-1 and will now compete in a three game series for the league trophy.

Gaare's opened the scoring with one run in the first inning on a walk, a wild pitch, and a hit. A second run was scored on the plate, but the man was called out for leaving third base too soon after a catch. Rose-Lo scored two runs in the second on a walk and three hits. Their other two were scored in the sixth on a walk, an error, and two hits.

Both teams played lifeless ball, showing the effects of the long lay-off. Neither pitcher had much on the ball. Luerssen got four men out, strike-outs and walked two. Three men hit safely. Hayes struck out three, walked two, and allowed ten hits.

The first of the three-game series is scheduled for this Sunday at 2:00 o'clock, weather permitting.

Girls Basketball Team Of Arlington Starts Practice Next Wednesday

Karstens' Arlington Girls basketball team will hold their first practice session in preparation for the coming season next Wednesday evening at 7:30 p. m. Membership on the team is open to any girls desiring to try out for the squad.

There are no particular requisites other than a willingness to work in the spirit of good sportsmanship. Regardless of your age, creed or nationality, please feel free to come out and try for the team. You are assured of a friendly welcome from one of the finest groups of girls in Arlington Heights.

Practices will be held on Wednesday at 7:30 p. m. in the gymnasium and shoes and ball ready for work at the Arlington Heights township high school.

Bensenville, Palatine Are Talking Basketball

Boys in some of the schools not playing football are beginning to get the urge to start basketball practice. Here at Palatine we are starting light workouts on fundamentals next Tuesday, with practice every other day for the first two weeks.

Wayne Wipert, who graduated last year from Illinois Normal, will assist in basketball at Palatine this year. Fall sports at Palatine have been confined to an intramural softball league made up of 60 boys, a little track work for those more interested, and an all school tennis tournament.

Down at Bensenville the boys are playing intramural golf, tennis, and touch football to take up the slack time before the start of basketball.

Grant Again Loses 39-0; Warren Regulars Retire In 1st Quarter

Warren crushed Grant 39 to 0 Friday in one of the easiest games for the Blue Devils in the 11 years Kelton has coached them. The regulars retired after piling up a 19-0 lead at the quarter, but the reserves continued the scoring spree. Grant's weak and inexperienced squad did not make a first down.

Grant has four freshmen and four sophomores in the starting lineup and they are just not ready for heavyweight football in a league like the Northwest Conference.

Meet The Coaches...

This is the third of a series of articles by G. A. McElroy introducing the head coaches of the Northwest Conference.

W. R. Etherton and Robert Mackey Of Northbrook

Northbrook was voted a member of the Northwest Conference last spring following the announcement that the school would go on a full four year basis. The men who will direct the athletic teams of the new member of the league are W. R. Etherton, athletic director and head basketball coach, and Robert Mackey, head football coach.

Both these men secured their high school training at Murphysboro, Illinois. After graduation Mackey played independent football in the Egyptian League of southern Illinois, later attending Lewis Institute, Chicago Normal, and the University of Chicago. Etherton's college training was secured at Southern Illinois Teachers College where he completed a course in physical education. Etherton has coached basketball for twelve years.

Many of the coaches of the conference are well acquainted with the Northbrook men through Frosh-Soph and light-weight games scheduled with the school when it was a three year institution. Both men are known as square shooters, who are real sports in every sense of the word and the conference is pleased to welcome them into its ranks.

Northbrook is just starting out with football and according to reports Mackey and Etherton have a well coached team of green, light-weight boys representing the school. All are new to the sport, but they are making a very favorable showing against the lightweight teams of some of the larger schools. Grant and McElroy are the only varsity teams on Northbrook's schedule.

Lake Forest 'Outruns' Niles Center For 12-6 Grid Victory

Fumbles and long runs featured Lake Forest's 12-6 victory at Niles last Friday. Peschman scored both of the Lakers' touchdowns on runs of 20 and 60 yards in which he hit the line and veered off toward the sidelines to outrun the opposition.

Peschman was leading sprinter of the conference in track last spring. In ball carrying he was ably assisted by O'Hara, the conference 220 and high hurdle champ.

Eby, Niles ace backfield man, recovering on a 50 yard run after receiving one of O'Hara's fumbles, which hit a fender in the back and caromed into his arms. Niles twice threatened on lap runs, but down the field, but lack of experience probably cost them a chance to tie the score. Niles made six first downs to nine for their opponents.

Arlington Heights Leads Lions League

The only excitement at the Lions Club district bowling match Monday night at the Mt. Prospect club was the effort of Wm. Schell, aided and abetted by good friends from Des Plaines to annex a total of eight strikes for a score of 268 pins. Even Palatine, who were the losers, were cheering Schell towards the last.

Arlington Heights with Hartmann and Baker as the lead men walked away from Dundee with three games.

Des Plaines and Barrington, as usual, made enough noise for all four of the other teams. Arlington Heights leads the league with Palatine sitting on the cellar door with Dundee uninvited without a win to their name. Barrington, Des Plaines and Mt. Prospect are tied.

Bowling At Arlington

by HERB HAMMERL

Extra! Extra! Read all about it! The Hammes lost a three game series. I believe that this is the first time in the last two or three years of bowling that the Hammes have lost more than two games in one night. The Elevator boys were just a little too tough and stepped out and won three games, the second one by two pins. Bill Neumann was high with 614, and Al Kehe was second with 608. That's two "600" series in a row for Al and he is leading the league with a swell 208 average. Nice going Al. Joe Brodman had high game of the night.

On 3 and 4 the El Rand took two games from Hartman Shoes, the second game by one pin. It seems that there is an awful lot of games won or lost by one pin. Maybe the league is more evenly matched this year. Can you imagine 204 winning the dollar on 3 and 4. Louie Sadecky got that 204 and also got 500 for the night.

Over on 5 and 6 the Blatz Beers took all three games from Cafe without much trouble. The "King" fish was burning up, getting a swell 645 series which included games of 234-222-189. Ray also won the "buck" with his 234. John "D" got 230 his first game and he thought he had the dollar all sewed up, but the "Kingfish" said no.

Just a gentle reminder to the rest of you teams in the league, look out for the Elevators from now on.

Body Temperature
The body temperature of a person living in the extreme cold of the far north is almost identical with that of one who lives in the steam-heated tropics.

Walk-Over Race
A walk-over race is a stake race in which all horses entered except one have been withdrawn, leaving that horse to walk over the distance and be credited with a win.

There are two things that you should give your children—a good example and a good education. A good example is also a safe example.

Recently I had a very strange experience. I saw a young child, whom I had just overheard tell his mother that he had been instructed not to cross in the middle of the block, suddenly and literally yanked off the sidewalk in the middle of the block by his parent and marveled across the street.

That kind of example belittles the safety effort and the safety idea in the mind of the child.

Set the right and the safe example.

PROSPECT HTS

During the past week we welcomed into our community the following families: Mr. and Mrs. Tom Underwood, on MacDonald road. Tom is the foreman bricklayer for Smith & Dawson, and he built his own home during week-ends. Mr. and Mrs. Bowman, on Olive street; Mr. and Mrs. Ledyard on Clarendon street; Mr. and Mrs. O'Rose, at Clarendon and School streets; Mr. and Mrs. Oakley, on Elmhurst road, and Mr. and Mrs. Buchner, on MacDonald road. We hope these new folks will enjoy their new homes as much as we old ones do. Welcome.

Mr. and Mrs. Harry Steele celebrated their fifth wedding anniversary last Thursday, Sept. 29. Congratulations.

Mrs. Dempsey and her friend, Mrs. R. Salzman, of Mount Prospect, drove up to Burlington, Wis. to visit Mrs. Dempsey's daughter, Marge, and the new granddaughter. They both report a grand time. Right at this time Mrs. Dempsey's daughter and husband, Mr. and Mrs. Murphy, are on their way to Washington, where they expect to see the President.

Mr. and Mrs. Ed. Miller of MacDonald road were on a business trip to Grand Rapids, Mich., the first part of the week, and both the folks enjoyed themselves ever so much, although they were on business.

We regret that Mrs. Maud Williams is still suffering from a very bad cold and hope that she will soon be all right again. Better take care, Maudie, because you know Old Man Winter is just around the corner, and you don't want to have a cold all winter long.

Mrs. Hartman, of Chicago, mother of Mrs. Dempsey, spent last week visiting out here, and likes Prospect Heights immensely. We hope she will come soon again.

Mrs. Dempsey attended a bridge and luncheon party at the home of her friend, Mrs. Johnson, on Sheridan road, Chicago, last Tuesday, and as usual, she had a real good time.

Mr. and Mrs. Jim Neilsen entertained Mrs. Neilsen's sister and husband, Mr. and Mrs. Haney of Chicago, last Sunday afternoon. The folks stayed for dinner and an enjoyable game of cards.

We are glad to report that little Jerry Moeller is getting along nicely, and is able to get out in the yard a little.

The Moellers had a grand time over Saturday and Sunday shooting clay pigeons in their back yard.

The Rauens were very much surprised Sunday when their old friends, Mr. and Mrs. Raymond Browne, who just returned from Florida, dropped in to visit.

Mrs. Rauen attended her club in Chicago last Wednesday, and brought her mother, Mrs. Grace Tweedie, home with her for a few days visit.

Mrs. Marcella Sobwick left Monday to visit friends in Rhinelander, Wis. for a week. We hope that she will have a very pleasant trip, and that she will get home safely, as she is driving up and back all by herself. We are sure that Ed will be glad to see her home again.

Mr. and Mrs. Harry Steele, entertained Harry's mother, and some of Mrs. Steele, Sr., neighbors from Chicago, on Sunday.

Island Disappears
The island of Anak Krakatau, in the Dutch East Indies, disappeared beneath the sea August 9, 1930, during a volcanic eruption. Previously it had a height of 170 feet.

It Does Something
After all, when a doughboy has been through a war, there is a certain something a little deeper in his character than there is in others.

Hats Worn in Ancient Greece
In ancient Greece hats were worn only by youths, workmen and slaves.
